Nature is the purest portal to inner peace. - Angie Weiland Crosby

In the midst of a hectic life, people tend to seek calm and comfort by surrounding themselves with nature.

A study by the University of Wisconsin School of Medicine and Public Health found that a natural environment allowed people to leave the stressors of their everyday lives behind and instead focus their minds on something more pure.

While art mimics life, it can also mimic nature by seeking to visually replicate objects as they actually appear in real life. Abstract paintings can also take their visual cue from actual forms in nature based on its elements namely, Earth, Water, Air, Fire and Space.

Each of the five elements speaks of nature. Solid matter is classified as "Earth. Water is everything that is fluid. Air is everything that is a gas. Fire is the portion of nature that changes one state of matter into another. Space is the basis of higher spiritual experiences.

5 Elements is our spontaneous reaction to our surroundings as we seek inspiration and motivation in moving forward.

Galeri Prima is pleased to feature 15 Malaysian artists with a myriad of artistic backgrounds with their own interpretation and observation of nature.

They are Ahmar Annur, Aliya Maisarah, Amirul Md Nor, Amy Hashim, Arman Rizaudin, Badrulzzaman Abu, Faez Fahmi, Fendigua, Hidawati Amin, Izzan Qistan, Johan Marjonid, Loqman Zainal, Renxin, Shahnaz Azlin and Tish Hayati.

Let's join them at 5 Elements where we can take a break and appreciate nature.

This exhibition is on view from 21 Aug - 1 Sept 2023.
